DESCRIPTION

This perfume combines ingredients inspired by Earth and Sea, creating a sensation of irresistible freshness. A pleasing fragrance that reflects the soul of a woman who wants to become one with nature.

FRAGRANCE

Juicy citrus fruits will be the first aroma you will perceive in this fragrance, their strength being soon balanced by the gentle tones of White Jasmine blossoms, through which you will sail on an endless wave of freshness. The delicacy felt so far will be finally enriched by the earthy fragrance of Cedar and unusual Raw Sugar.

HOW TO USE

Spray sparingly, directly onto the area you prefer: on the neck, behind the earlobes or on the décolleté. Alternatively, spray ahead of you and plunge into the scented cloud.

WARNING

Do not spray on an open flame or other ignition source. Avoid contact with eyes. Keep out of reach of children.
