DESCRIPTION

BRILBATH is a descaling spray cleaner that thoroughly cleans all bathroom surfaces by effectively and quickly removing limescale, water stains, stubborn dirt, oxidation, soap and other minor leftover residues. Thanks to its dual descaling and polishing action, surfaces are perfectly clean and shiny after application. Treated surfaces are furthermore protected for several days against the slow and gradual limescale build-up caused by water. Non-hazardous for human health and the environment. Non-corrosive to skin. Does not cause damage to common bath fixtures materials, such as methacrylate or similar, glass and enamelled profiles of showers or walk-in showers, bathtubs or Jacuzzis.

HOW TO USE

Apply to the surfaces to be cleaned with the appropriate trigger sprayer and spread it with a non-abrasive sponge. Leave on for a few moments then rinse thoroughly with water.

WARNING

DANGER Causes serious eye damage. Harmful to aquatic life with long lasting effects. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Protect eyes/face. Immediately call a POISON CENTER or doctor/physician. Avoid release to the environment.

CONTAINS

Benzalkonium chloride, 2,2'-(octadec-9-enylimino) bisethanol.
