DESCRIPTION

Instant Matte Foundation is a long-lasting liquid foundation with an excellent coverage that perfectly conceals imperfections and provides an even and natural complexion all day long. Comfortable and easy to apply, it dries quickly and ensures a velvety matt effect. Characterised by a paraben-free, vegan and cruelty-free formula, it is enriched with a series of active ingredients with a moisturising, calming, anti-inflammatory, anti-aging and anti-oxidant action: - Black Rose Extract: protects against free radicals, moisturises the superficial layers of the skin and helps regulate its barrier functions. - Ginseng Extract: it has a powerful revitalising and energising action. - Iris extract: fights the visible signs of ageing, helps combat inflammation, stimulates cell renewal and promotes skin elasticity. - Coffee Seed Oil: improves the elasticity of the skin, preserves its lipid balance and hydration. Characterised by its plumping effect, it helps to counteract and minimise the signs of ageing.
