BUSINESS PARTNER

Distributed by Brilhome for Chogan Group S.p.A. – Registered Office: via A. Olivetti, 24 - 00131 Rome (RM) Headquarters: via A. Riccheo, 7 - 76121 Barletta (BT) – ITALY www.chogangroupspa.com

DESCRIPTION

Bril WC is a concentrated descaler with whitening action, specific for all sanitary ware and bathroom ceramics. It eliminates limescale deposits, rust residues, tartar stains, streaks and blackening from the treated surfaces, restoring their original shine. It deeply sanitises, eliminates unpleasant odours and prevents their formation. The product viscosity improves its power of adherence to toilet bowl walls and vertical surfaces, thus ensuring a perfect cleaning action.
