### BUSINESS PARTNER

Distributed by Brilhome by Chogan group S.p.A. – Registered Office: via A. Olivetti, 24 - 00131 Rome (RM) Headquarters: via A. Riccheo, 7 - 76121 Barletta (BT) - ITALY

## DESCRIPTION

GreenDish «Aloe & Bamboo» is a liquid detergent for the manual washing of crockery, pots, cutlery, glassware and all washable kitchen utensils. Its special formula contains the extract of *Saponaria officinalis*, a plant naturally rich in natural detergents (saponins), which synergically act with the other surfactants to remove the toughest grease. Phosphorus-free, dye-free. With a pleasant fragrance of Aloe Vera and Bamboo.

## HOW TO USE

Dilute 2-3 mL of product into 5 L of hot water. Alternatively, pour a few drops onto a wet sponge then squeeze it out until it foams. Wash dishes then rinse thoroughly.

## WARNING

**DANGER** Causes serious eye damage. Causes skin irritation. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Wear protective gloves/eye protection/face protection. Immediately call a **POISON CENTER** or doctor/physician. Wash the hands thoroughly after handling.

## PRODUCT PLUSES

### CHARACTERISTICS OF THE FORMULA

**Perfume**, It destroys unpleasant odours thanks to its pleasant scent: lemon or aloe and bamboo

**Ultra degreasing**, with more than 27% washing substances; with a small amount it guarantees effective removal of grease and food residues, and exerts a high sanitising action.

**Ultra-concentrated**, very low dosage efficacy, up to 250 washes for manual dishwashing, pots, cutlery, glasses and all washable kitchen utensils.

### COMMITMENT TO THE ENVIRONMENT

**Formula**, It contains the extract of *Saponaria officinalis*, a plant naturally rich in natural detergents (Saponins) that acts in synergy with other surfactants to remove dirt, even stubborn dirt.

Phosphorus- and dye-free, i.e. without surfactants of petroleum origin (e.g. sodium dodecylbenzenesulfonate) and phosphate-free (causing eutrophication of domestic wastewater)

non-irritating under conditions of use - Dermatologically tested at the University of Ferrara.

### Packaging

**Space-saving** and small, with good grip.
