DESCRIPTION

The "Honey & Camomile" Light Drops by Aurodhea is the finish product designed to give new light to dry, brittle and treated hair. With a pleasant scent of honey and camomile and particularly suitable for blond or light hair, these hair liquid crystals nourish and enhance highlights. Their silicone-free formula is enriched with the exclusive NUTRIGLOW™ complex, a blend of Sweet Almond Oil, Linseed Oil and Ceramides that moisturises and repairs hair, visibly reducing frizz and facilitating styling. It also contains Hyaluronic Acid and Silk Proteins, contributing to the creation of a protective film around the hair, leaving it disciplined and pleasantly soft.
