DESCRIPTION

Turbodrain is a ultra-concentrated granular drain cleaner designed to solve pipe clogging problems. Its advanced formula acts quickly and effectively, freeing pipes from deposits of encrusting substances such as grease, oil, hair, soap residues and more, without affecting their components.

OLFACTORY PYRAMID

N.D.

HOW TO USE

Remove stagnant water from the basin with the help of a sponge. Pour 50-100 g of product into the sink or bathtub drain pipe and immediately pour in half a litre of hot, but not boiling, water. Let the product act for 15 minutes, then rinse thoroughly with cold water. In case of a persistent blockage, repeat the operation. If the problem persists even after the second application, consult a plumber.

WARNING

DANGER (below the pictogram)

May be corrosive to metals.

Causes severe skin burns and eye damage.

Do not breathe dust / fumes / gas / mist / vapours / spray.

IF IN EYES: rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

IF ON SKIN (or hair): take off immediately all contaminated clothing. Rinse skin with water [or shower].

Wear protective gloves/protective clothing/eye protection/face protection.

Immediately call a POISON CENTER or doctor/physician.

Wash hands thoroughly after handling.

CONTAINS

sodium hydroxide

OTHER INFORMATIONS

WARNING: product for professional use. Read the instructions and follow the warnings. Never mix with other products. Due to the exothermic reaction of the product with liquids in the drain, which may also lead to the production of abundant water vapour, children or pets should be kept at a distance. Before first use and in the case of sinks made of materials of doubtful chemical resistance, carry out preventive tests with small quantities of the product. No responsibility can be attributed to the supplier for the results obtained and/or any damage to property or persons resulting directly or indirectly from improper or non-compliant use, as the method of application is beyond his control and/or verification.
