Distributed by Brillhome for Chogan Group S.p.A. Registered Office: via A. Olivetti, 24 – 00131 Roma (RM) Headquarters: via A. Riccheo, 7 – 76121 Barletta (BT) - ITALY

DESCRIPTION

"Brilhome 'Pure White' is a detergent for white clothes that penetrates deep into fabric fibres, cleaning up dirt and tough stains. Gentle on garments, it is effective even at low temperatures (30 °C) against the most stubborn stains. It is phosphorus-free and has a very high content of washing substances, which is why it requires only half the normal washing dosages. It is not suitable for washing coloured clothes that tend to fade and wool, silk or delicate fabrics.

OLFACTORY PYRAMID

Top Notes: Aldehydes, Mandarin, Mint
Middle Notes: Orange Blossom, Rose, Lily of the Valley
Base Notes: Ambergris, Pine, Carnation

HOW TO USE

Use the product following the indicated dosage Soft water/ moderately hard water: - for 4-5 kg of laundry use 20 mL of product (the equivalent of a capful without completely filling it); - for 6-8 kg of laundry use 30 mL of product (the equivalent of a capful and a half); - for more than 8 kg of laundry use 40 mL of product (two capfuls). Very hard water: - for 4-5 kg of laundry use 25 mL of product (the equivalent of a capful to completely fill it); - for 6-8 kg of laundry use 40 mL of product (a capful and a half); - for more than 8 kg of laundry use 50 mL of product (two capfuls). For very stubborn stains, such as ink stains, waterproof make-up, etc., it may be necessary to pre-treat the affected area before washing.
