DESCRIPTION

Aurodhea Gel with 98% Aloe Vera is a multifunctional, high-quality product. Its formula, completely organic and enriched with Witch Hazel extract, exerts an exceptional moisturising and soothing action on the skin. It is very effective on irritations of various kinds, such as inflammation, dermatitis and other skin imperfections. It is ideal in cases of overexposure to sun rays, quickly soothing burns and sunburns. **USE AND PRACTICAL ADVICE** - Facial moisturiser: can be used in pure form in the morning and evening; with a drop of Tea Tree essential Oil, it prevents the formation of pimples, blackheads and scarring due to furuncles. - Skin-purifying serum: apply 50 mL of Aloe Gel combined with five drops of Tea Tree Oil, two drops of Lavender Essential Oil and one drop of Lemon Essential Oil to damp skin in the morning and evening, before applying your moisturising cream. - Hair gel: as an alternative to the classic hair gel, use a teaspoon of pure Aloe Gel and style your hair as usual. - Soothing after-sun: use two tablespoons of Aloe Gel with four drops of Lavender Essential Oil to soothe the skin after sun exposure, after hair removal or in the case of hives, eczema or itching. - Against dark spots on the skin: apply a tablespoon of Aloe Gel with two drops of Lemon essential oil to prevent dark spots on the face or spots caused by rubbing, e.g. on the inner thigh. - Against gingivitis: apply pure, directly on reddened and inflamed gums and leave on for a few minutes. Applied to small wounds or abrasions, it speeds up healing and skin repair. DERMATOLOGICALLY TESTED CPNP REFERENCE: 2887632

HOW TO USE

Apply onto desired areas and massage until fully absorbed. Do not use on facial skin if sensitive. Perform a patch test before use.

WARNING

If in eyes, rinse thoroughly and get medical attention, if necessary. Do not ingest. In case of ingestion, contact a doctor. Avoid release to the environment. Avoid any accidental damage or incorrect handling that might cause product leakage. Store in a cool, dry place away from heat sources. Do not use in case of skin hypersensitivity and allergy to Aloe Vera. Do not use on facial skin, if sensitive. Perform a patch test before use.
