### NAME OF THE PRODUCT

Anti-Dandruff Shampoo with Salicylic Acid

### CODE

AS02B

### FORMAT

250 mL

### DISPOSAL INDICATIONS & CERTIFICATIONS

### BUSINESS PARTNER

Distributed by Chogan Group S.p.A. – Registered Office: via A. Olivetti, 24 – 00131 Roma (RM) – Headquarters: via A. Riccheo, 7 – 76121 Barletta (BT) - ITALY www.chogangroupspa.com

### DESCRIPTION

Aurodhea Anti-Dandruff Shampoo, thanks to its formula composed by natural surfactants, is extremely gentle on hair and scalp. The presence of Piroctone olamine, an active ingredient with anti-dandruff, sebum-regulating and anti-microbial properties, and of Salicylic Acid, an exfoliating active that combats psoriasis and seborrhoeic dermatitis, reduces the annoying sensation of a flaky scalp, itching and oily skin. The formula also includes Sage, Nettle and Propolis, which, in synergy, perform an astringent, dermopurifying and antiseptic action. DERMATOLOGICALLY TESTED CPNP REFERENCE: 2920368

### HOW TO USE

Apply a walnut-sized amount of product on damp hair, massage carefully and then rinse thoroughly. Repeat if necessary.

### WARNING

Avoid release to the environment. Avoid any accidental damage or incorrect handling that might cause product leakage. Store in a cool, dry place away from heat sources. Use is not recommended during pregnancy and breastfeeding. Not for children under three years of age.
