BUSINESS PARTNER

Distributed by Aurodhea for Chogan Group S.p.A. Registered Office: via A. Olivetti, 24 ? 00131 Roma (RM) Headquarters: via A. Riccheo, 7 ? 76121 Barletta (BT) ITALY

DESCRIPTION

Aurodhea Argan Oil Face Cream performs an intensive anti-ageing and repairing action, as well as promoting cell oxygenation and regeneration. Its use allows to act directly on the production of collagen and elastin, thus counteracting the onset of wrinkles and expression lines. Application after application, it visibly minimises the signs of ageing thanks to an intensive formula that smoothes the features, reshapes the oval of the face and redensifies the tissues. It contains Hyaluronic Acid, which deeply moisturises facial skin; Vitamin E, which performs an antioxidant action that protects against skin ageing; Aloe Vera and Allantoin, which combat the dryness of mature skin, revitalising it and stimulating microcirculation; Jojoba Oil, with rehydrating, sebum-regulating and regenerating properties. Ideal for sensitive skin, prone to irritation. DERMATOLOGICALLY TESTED CPNP REFERENCE: 2912149

HOW TO USE

Gently apply to perfectly cleansed face and neck, morning and evening. Also useful as a make-up base.

WARNING

Avoid release to the environment. Avoid any accidental damage or incorrect handling that might cause product leakage. Store in a cool, dry place away from heat sources.
