DESCRIPTION

Aurodhea Camomile hand cream is suitable for fragile, chapped and sensitive skin, thanks to its nourishing and gentle action. Its use helps protect against external aggressions such as wind, cold or detergents, leaving the skin soft and moisturised. Shea Butter, Silk Protein, Grapeseed Oil and Argan Oil pamper the skin of the hands, leaving it soft, smooth and with a pleasant soothing action. The hand cream also creates a protective barrier that restores the hydrolipidic film, providing relief to chapped and reddened skin.
