DESCRIPTION

Inspired by the intriguing messenger of the gods and protector of travelers, Hermes by MΨT?LOGIK is an evocative fragrance for him, echoing whispered secrets, adventurous journeys and embodying the Greek essence of cunning and speed. The fragrance opens like a light, sparkling flight with citrus accords and an exotic Papaya note, while the heart, complex and captivating, is a tribute to Hermes' ingenuity. Finally, the earthy and musky base evokes images of faraway places waiting to be explored.

FRAGRANCE

A woody spicy fragrance, with a citrus and exotic opening of Bergamot, Lemon and Papaya. The heart unveils a spicy accord of Clove, Cardamom and Cinnamon, enveloped by intense notes of Truffle and Walnut. Finally, the base reveals its warmth and sensuality with notes of Vetiver, Musk, Amber, Tonka Bean and Cedarwood.

HOW TO USE

Spray sparingly, directly onto the area you prefer: on the neck, behind the earlobes or on the chest. Alternatively, spray ahead of you and plunge into the scented cloud.

WARNING

Do not spray on an open flame or other ignition source. Avoid contact with eyes. Keep out of reach of children.
