DESCRIPTION

Inspired by the legendary Greek mythological figure, once a maiden and then fatefully transformed by a cruel destiny, Medusa by MΨT?LOGIK is a fragrance for her that captures the essence of powerful, vengeful femininity. The salty notes of the opening evoke the underwater realm to which the Gorgon is bound. Its floral heart echoes her lost beauty and fades into an intense and alluring base reflecting the relentless gaze of the legendary creature, capable of petrifying even the fiercest warrior.

FRAGRANCE

A citrus aquatic fragrance with mysterious and enigmatic undertones. The opening features notes of Lemon, Yuzu, Sea Salt, and Seaweed, blending together to evoke the depths of the abyss. The floral heart, dominated by the elegance of Lotus and Water Lily, leads into a lasting and seductive base of Musk, Sandalwood, and Amber.

HOW TO USE

Spray sparingly, directly onto the area you prefer: on the neck, behind the earlobes or on the décolleté. Alternatively, spray ahead of you and plunge into the scented cloud.

WARNING

Do not spray on an open flame or other ignition source. Avoid contact with eyes. Keep out of reach of children.
